HONORABLE ALISON BACHUS

CLERK OF THE COURT

v.

GREGORY GILLESPIE

KACI YOUNG BOWMAN

JUDGE BACHUS

MINUTE ENTRY

The Court is in receipt of Ms. Ramos' Motion to Withdraw, filed June 13, 2022. The client's written approval does not appear in the motion. Therefore, counsel must comply with Rule 5.3(a)(2)(B)(ii). The motion does not comply with the rule. Because the rule is not permissive, the Court must deny the motion without prejudice. Each portion of the rule must be complied with in any subsequent motion to withdraw.

It is so ordered.
