Laura reports rental home break-in to Scottsdale PD

**SP:** Scottsdale Police, this is Tracy.

**LO:** Hi, my name is Laura Owens and I'm calling because I'm being umm really stalked and harassed by somebody on Reddit who also may have broken into my rental home.

**SP:** What's the address?

**LO:** Uhh my address [redacted].

**SP:** Okay, is that the address for your..the home that you live in or the rental home?

**LO:** Umm that's the address for the home I live in, the rental home is [redacted].

**SP:** Okay. Alright. That...that one's in Phoenix, so we'll do this one. Umm—

**LO:** Okay, perfect.

**SP:** do you know the person?

**LO:** Umm I know their username umm but I don't know..! don't know the name of the person. I...I am suspicious that it's umm one of two people where I have protective orders against.

**SP:** Okay. What's your name?

**LO:** My name is Laura L-A-U-R-A Owens O-W-E-N-S.

**SP:** What's a phone number for you?

**LO:** [Redacted].

**SP:** Have the orders been served?

**LO:** Uhh yes they have.

**SP:** And how are they stalking you? Like what are they doing?

**LO:** Umm so this person has been obsessively posting umm about me umm on...on Reddit. I'm involved in a paternity scandal with the guy...with a guy who was umm formerly The Bachelor. Umm but I think it either is that guy or it's this other guy who umm...who has become friends with him umm who I...I dated briefly and have the order against. Umm they're..they've looked up absolutely everything umm about me and they seem to have umm, they know about my rental house. I...I got an alert at my rental house that somebody had opened the umm the back door umm and that was last week and I didn't know quite what happened. And then this person umm wrote today about umm like a description of going in the back door basically. Uhh and knowing all about the house. Umm they also have...have been stalking me on...on social media and umm and I've tried to remain anonymous throughout this whole process and they just keep repeatedly saying my full name umm and they're...they're just literally out to ruin me.

I mean, it's obsessive. Like hundreds of posts about me.

**SP:** Okay. I just...I'll put in a call and have an officer give you a call back. Did you report the umm break-in to Phoenix PD?

**LO:** Umm no. Nope, I couldn't find...like there wasn't anything that looked like it was damaged or anything. It was just that I got the alert umm that..that somebody had, you know, opened the door.

**SP:** Okay. Alright. I'll have somebody give you a call back, okay?

**LO:** Okay, yeah, they...like the last thing they put like 5 minutes ago is 'she just needs to go away. Like, I mean and I'm not commenting on any of these things. It's just that, you know, they're just obsessed. So yeah, I would... would appreciate it. Thank you so much.

**SP:** Uh huh. Bye.

**LO:** Okay, bye.
