NARRATIVE

On 10/19/2023, the reporting party alleged a violation of order of protection against the listed defendant. The victim /reporting party resides at [redacted].

I contacted victim Laura Owens by telephone. She stated she is pregnant with twins by suspect Clayton Echard. She stated he has denied paternity of the twins and a subsequent DNA paternity test occurred. Owens stated Echard got the results of the test on 10/6/2023.

Owens stated Echard posted an Instagram video which consisted of Echard stating that the results showed little to no fetal DNA present. He further stated in the video, "Let's go baby. I knew that that was going to happen. Thankfully, five months of torture can finally be put to rest".

Echard is a television personality and Owens is a podcaster, both with large social media followings. Owens stated that as a result of the Echard IG video, she received a large amount of negative messaging on her social media accounts and podcast. Owens stated she emailed Echard with a request to remove the video, but he has not done so at this time.

Owens obtained order of protection FC2023052771 from Maricopa County on 10/6/2023. It was served to Echard on 10/17/2023. The order stipulates that; Defendant shall not communicate or post untrue or harassing comments regarding Plaintiff online, including but not limited to on social media 1 and shall not cause others to communicate or post untrue or harassing comments regarding Plaintiff online or otherwise.

Owens stated paternity determination is on-going at this time. She is upset by the negative comments and hate appearing on her social media and podcast pages. I informed Owens that I would be forwarding the report to detectives for review of the incident. This completed my contact with Owens. Owens emailed the order of protection, petition, affidavit of service, and supporting examples of the disparaging social media posts. I forwarded this email to Sgt. Dunton for review.

This completed my involvement.

**NARRATIVE**

**2321594 Det Reedy #1528**

On 11.27.23, I was working in my assigned role as a Domestic Violence Detective. I was conducting follow up on the listed case.

Upon reviewing this case it has been determined no crime has been committed. Laura has submitted additional pieces of evidence, however her evidence is accusing several reddit profiles of being Clayton without any proof. One of the profiles she claimed was Clayton was a photoshopped picture with a sonagram image. Laura claims this is Clayton however she used this same image in a previous report and claimed it was a man named Gregory Gillespie.

It should be noted that a similar case (2320074) was turned down by prosecutors. That case was the result of Laura making very similar claims about another man (Gillespie), using fake online profiles to harass her, yet had no proof who these profiles were.

Because of a lack of evidence this case will not be referred for prosecution.
